INDEPENDENT AUDITORS' REPORT

Tenth Judicial District Court Expense Fund
The Honorable Monty Doggett, Judge
Natchitoches, Louisiana 71458

We have audited the accompanying general purpose financial statements of the Tenth Judicial District Court Expense Fund, Natchitoches, Louisiana, as of and for the year ended December 31, 2001, as listed in the table of contents. These financial statements are the responsibility of the management of the Tenth Judicial District Court Expense Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Tenth Judicial District Court Expense Fund, Natchitoches, Louisiana, as of December 31, 2001, and the results of its operations for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued a report dated February 14, 2002, on our consideration of the Tenth Judicial District Court Expense Fund's internal control over financial reporting and our tests of its compliance with laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

The financial information for the year ended December 31, 2000, which is included for comparative purposes, was taken from the financial report for that year in which we expressed an unqualified opinion dated January 19, 2001, on the general purpose financial statements of the Tenth Judicial District Court Expense Fund.

TENTH JUDICIAL DISTRICT COURT EXPENSE FUND
NATCHITOCHES, LOUISIANA
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2001

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Tenth Judicial District Court Expense Fund was created by an act of the Legislature of Louisiana during their 1982 regular session. The Fund began operating in August, 1982. The judges of the Tenth Judicial District, who are elected officials, have control over the Fund and all disbursements made therefrom. The Tenth Judicial District encompasses the parish of Natchitoches, Louisiana.

The accounting and reporting policies of the Tenth Judicial District Court Expense Fund conform to generally accepted accounting principles as applicable to governments. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. Such accounting and reporting procedures also conform to the requirements set forth in the Louisiana Governmental Audit Guide and to Louisiana Revised Statutes 24:513 and 24:517, and to the industry audit guide, Audits of State and Local Governmental Units.

A. FINANCIAL REPORTING ENTITY

Governmental Accounting Standards Board Statement No. 14 established criteria for determining component units which should be considered part of a primary government for financial reporting purposes. The basic criterion for including a potential component unit within the reporting entity is financial accountability. The GASB has set forth criteria to be considered in determining financial accountability. This criteria includes:

1. Appointing a voting majority of an organization's governing body and
 - a) The ability of the primary government to impose its will on that organization and/or
 - b) The potential for the organization to provide specific financial benefits or to impose specific financial burdens on the primary government.
2. Organizations for which the primary government does not appoint a voting majority but are fiscally dependent on the primary government.
3. Organizations for which the reporting entity financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

The financial reporting entity consists of a) the primary government b) organizations for which the primary government is financially accountable, and c) other organizations for which the nature and significance of their relationships with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

For financial reporting purposes, the Tenth Judicial District Court Expense Fund operates autonomously and independently from the State of Louisiana. The judges of the Tenth Judicial District, who have control over the Fund, are elected officials. The Fund has no oversight responsibility for any other governmental entity since no other entities are considered to be controlled by or dependent on the Fund. Therefore, the Tenth Judicial District Court Expense Fund reports as an independent reporting entity.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B. FUND ACCOUNTING

The accounts of the Fund are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund (the general fund) are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures. The individual funds account for the governmental resources allocated to them for the purposes of carrying on specific activities in accordance with laws, regulations, or other restrictions. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions relating to certain government functions or activities. The fund is grouped, in the financial statements in this report, into one generic fund type as follows:

Governmental Fund

General Fund - It is the general operating fund of the Tenth Judicial District Court Expense Fund. It is used to account for all financial resources of the Tenth Judicial District Court Expense Fund.

C. ACCOUNT GROUPS

General Fixed Assets Account Group - This is not a fund but rather an account group that is used to account for general fixed assets acquired for general purposes.

Fixed assets used in governmental fund type operations (general fixed assets) are accounted for in the General Fixed Assets Account Group, and are recorded as expenditures in the governmental fund types when purchased. No depreciation has been provided on general fixed assets. All general fixed assets that were purchased are valued at historical cost. Any general fixed assets acquired through donation are valued at the estimated fair market value at the time of receipt.

D. BASIS OF ACCOUNTING

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The governmental fund is accounted for using the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become measurable and available). "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures are generally recognized under the modified accrual basis of accounting when the related funds liability is incurred, except that principal and interest on general long-term debt is recognized when due.

Those revenues susceptible to accrual include court fees and interest income.

E. CASH AND CASH EQUIVALENTS

Consistent with GASB 9, "Reporting Cash Flows of Proprietary and Nonexpendable Trust Funds and Governmental Entities That Use Proprietary Fund Accounting", the District defines cash and cash equivalents as follows:

Cash - includes not only currency on hand but also demand deposits with banks or other financial institutions and other kinds of accounts that have the general characteristics of demand deposits in that the customer may deposit additional funds at any time and also effectively may withdraw funds at any time without prior notice or penalty.

Cash equivalents - short term, highly liquid investments that are readily convertible to known amounts of cash and are so near their maturity that they present insignificant risk of changes in value because of interest rates. Generally, only investments with original maturities of three months or less qualify under this definition.

F. INVESTMENTS

Investments, which consist of certificates of deposit, are stated at lower of cost or market. Discounts and premiums on the purchase of investments are amortized over the life of the investment remaining from the date of purchase to the date of maturity.

G. BUDGETS AND BUDGETARY ACCOUNTING

The Court prepares a budget for its general fund on a basis consistent with generally accepted accounting principles. The procedures with respect to the budget are designed to meet the requirements of applicable Louisiana Revised Statutes. The Court amends its budget when projected revenues are expected to be less than budgeted revenues by five percent or more and/or projected expenditures are expected to be more than budgeted amounts by five percent or more. Formal budgetary accounting is employed as a management control.

II. COMPENSATED ABSENCES

Full-time employees of the Fund earn ten days vacation leave and ten days sick leave each year after completion of at least one year of employment. Leave cannot be accumulated from one calendar year to the next; therefore, no liability for compensated absences has been recorded in the accompanying financial statements.

I. RECEIVABLES

All receivables are reported at their gross value and, where applicable, are reduced by the estimated portion that is expected to be uncollectible.

J. FUND EQUITY

The unreserved fund balances for governmental funds represent the amount available for budgeting future operations.

K. COMPARATIVE DATA

Comparative total data for the prior year have been presented in the accompanying financial statements in order to provide an understanding of changes in the Court's financial position and operations. However, comparative (i.e., presentation of prior year totals by fund type) data have not been presented in each of the statements since their inclusion would make the statements unduly complex and difficult to read.

L. ESTIMATES

The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

M. ENCUMBRANCES

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation, is not employed by the Tenth Judicial District Court Expense Fund.

N. MEMORANDUM ONLY - TOTAL COLUMNS

Total columns on the general purpose statements are captioned as "Memorandum Only" because the total columns do not represent consolidated financial information and are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations or cash flows in accordance with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

NOTE 2 CASH AND CASH EQUIVALENTS

Louisiana Revised Statutes authorize the Tenth Judicial District Court Expense Fund to invest in United States bonds, treasury notes or certificates, or to deposit funds in demand deposits, interest bearing demand deposits, money market accounts, or time deposits with state banks organized under Louisiana law and national banks having their principal offices in Louisiana. Deposits are classified as investments if their original maturities exceed 90 days; however, if the original maturities are 90 days or less, they are classified as cash equivalents. Investments are stated at cost.

At December 31, 2001, the Court had cash and cash equivalents totaling \$11,203, as follows:

Interest-bearing demand deposit accounts	\$ 11,203
Total	<u>\$ 11,203</u>

Under state law, these deposits must be secured by federal deposit insurance or the pledge of securities by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent bank. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. As of December 31, 2001, the Court had \$160,365, in bank deposits. These deposits were secured from risk by \$111,766 of federal deposit insurance and \$171,276 (market value) of pledged securities held by the custodial banks in the name of the fiscal agent (GASB category 3).

TENTH JUDICIAL DISTRICT COURT EXPENSE FUND
NATCHITOCHES, LOUISIANA
NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2001

NOTE 2 CASH AND CASH EQUIVALENTS (CONTINUED)

Even though the pledged securities are considered collateralized (category 3) under the provisions of GASB Statement 3, Louisiana Revised Statute 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the Court that the fiscal agent has failed to pay deposited funds upon demand.

NOTE 3 INVESTMENTS

The Tenth Judicial District Court Expense Fund maintains investment accounts as authorized by the Louisiana Revised Statutes. Under state law, the Fund may invest in obligations of the U. S. Treasury and U. S. Agencies, or certificates of deposit. Investments are carried at fair value as of the balance sheet date.

Investments can be classified according to the level of risk to the entity. Investments made by the Tenth Judicial District Court Expense Fund as of December 31, 2001 are summarized below by the category of risk.

Category 1	Insured or registered in the entity's name, or securities held by the entity or its agent in the entity's name.
Category 2	Uninsured or registered with securities held by the counterparty's trust department or agent in the entity's name.
Category 3	Unsecured and unregistered with securities held by the counterparty, or by its trust department or agent but not in the entity's name.

<u>Type of Investments</u>	<u>Category Risk</u>			<u>Reported Amount</u>	<u>Fair Value</u>
	<u>1</u>	<u>2</u>	<u>3</u>		
Certificates of deposit	\$ 148,599	\$ 0	\$ 0	\$ 148,599	\$ 148,599
Total	<u>\$ 148,599</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 148,599</u>	<u>\$ 148,599</u>

NOTE 4 CHANGES IN GENERAL FIXED ASSETS

A summary of changes in general fixed assets follows:

Total	\$ <u>25,167</u>	\$ <u>3,207</u>	\$ <u>0</u>	\$ <u>28,374</u>

NOTE 5 RETIREMENT COMMITMENTS

Substantially all employees of the Tenth Judicial District Court Expense Fund are members of the Parochial Employees' Retirement System of Louisiana, a multiple-employer, public employee retirement system (PERS), controlled and administered by a separate board of trustees. The System is composed of two distinct plans, Plan A and Plan B, with separate assets and benefit provisions. All employees of the Tenth Judicial District Court are members of Plan A.

All permanent employees working at least 28 hours per week who are paid wholly or in part from parish funds and all elected parish officials are eligible to participate in the System. Under Plan A, employees who retire at or after age 60 with at least 10 years of creditable service, at or after age 55 with at least 25 years of creditable service, or at any age

with at least 30 years of creditable service are entitled to a retirement benefit, payable monthly for life, equal to 3 percent of their final-average salary for each year of creditable service. However, for those employees who were members of only the supplemental plan prior to January 1, 1980, the benefit is equal to one percent of their final-average salary plus \$24 for each year of supplemental-plan-only service earned prior to January 1, 1980. Final-average salary is the employee's average salary over the 36 consecutive or joined months that produce the highest average. Employees who terminate with at least the amount of creditable service stated above and do not withdraw their employee contributions may retire at the ages specified above and receive the benefit accrued to their date of termination. The System also provides death and disability benefits. Benefits are established by state statute.

Contributions to the System include one-fourth of one per cent of the taxes shown to be collectible by the tax rolls of each parish, except New Orleans and East Baton Rouge Parishes. These tax dollars are divided between Plan A and Plan B based proportionately on the salaries of the active members of each plan. State statute requires covered employees to contribute a percentage of their salaries to the System.

The System issues an annual publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to the Parochial Employees' Retirement System, Post Office Box 14619, Baton Rouge, Louisiana, 70898-4619, or by calling (504) 928-1361.

Plan members are required by state statute to contribute 9.50 percent of their annual covered salary and the Tenth Judicial District Court Expense Fund is required to contribute at an actuarially determined rate. The current rate is 7.75 percent of annual covered payroll. The contribution requirements for plan members and the Tenth Judicial District Court Expense Fund are established and may be amended by state statute. As provided by Louisiana Revised Statute 11:103, the employee contributions are determined by actuarial valuation and are subject to change each year based on the results of the valuation for the prior year. The Tenth Judicial District Court Expense Fund's contributions to the System for the years ended December 31, 2001 and 2000 were \$4,490 and \$4,639, respectively, equal to the required contributions for each year.

NOTE 6 LEASES

The Tenth Judicial District Court Expense Fund was not obligated under any capital or operating lease commitments at December 31, 2001.

NOTE 7 LITIGATION

There was no outstanding litigation against the Tenth Judicial District Court Expense Fund at December 31, 2001.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Tenth Judicial District Court Expense Fund
The Honorable Monty Doggett, Judge
Natchitoches, Louisiana 71458

We have audited the general purpose financial statements of the Tenth Judicial District Court Expense Fund, Natchitoches, Louisiana, as of and for the year ended December 31, 2001, and have issued our report thereon dated February 14, 2002. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the Tenth Judicial District Court Expense Fund's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Tenth Judicial District Court Expense Fund internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the Tenth Judicial District Court Expense Fund and the Legislative Auditor of the State of Louisiana and is not intended to be, and should not be, used by anyone other than the specified parties.
